Companies

Fine Quality Zircon Products

KNOW US

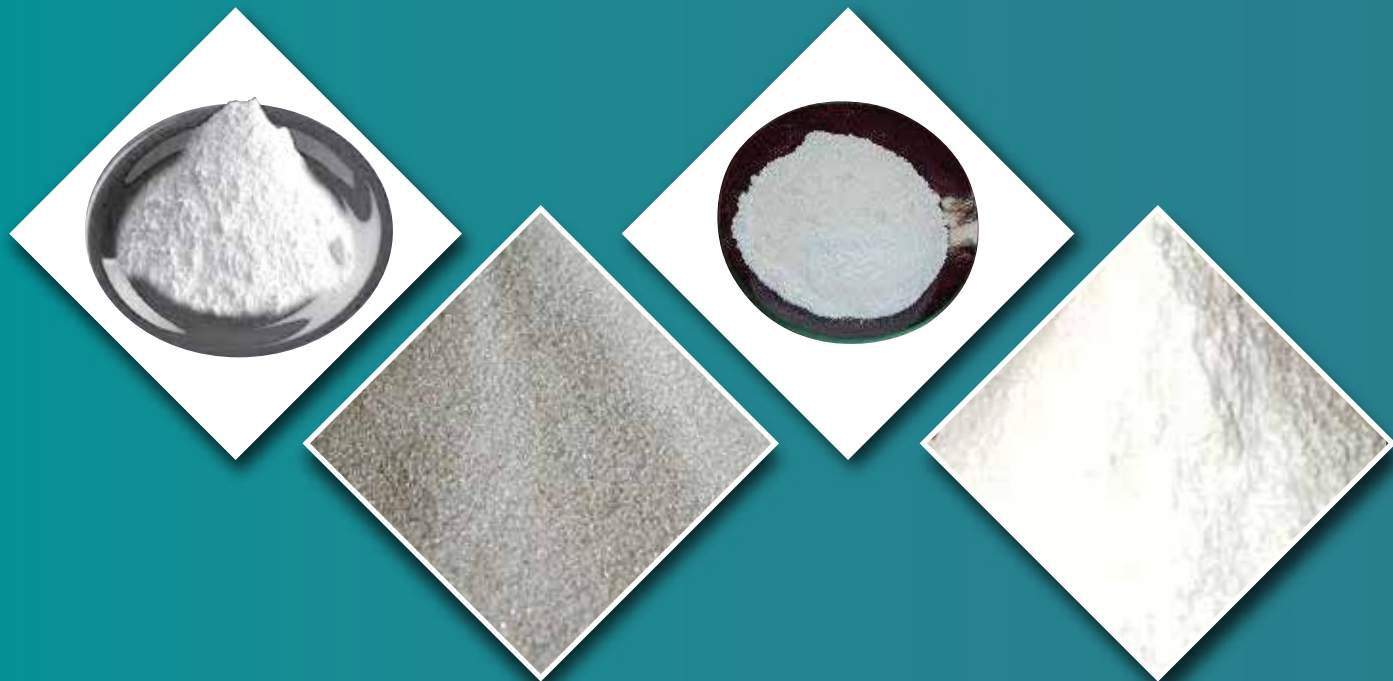

To cater the requirements of zirconium and allied products, We **Astron Group of Companies** were **founded in 1998**. Our technologically updated equipments and systems have ensured the quality production to the market. With vast experience in ceramic industries, we have established an enviable reputation as **one of the leading manufacturers, exporters, suppliers and traders in the industry**. Our consistent market research and modern production techniques allow us to offer Zirflour, Zirconium Silicate and Zirconium Silicate 1 & 5 Micron.

We are one of the **largest manufacturers** of Zircon products in India and well known by brand **ZIRCOHIND**. in our group companies Due to continued investment in new product development, **we have a wide range of frits**. Our market knowledge and wide range of product enable us to give products that are considered best in class as well as Most Competitive and Cost effective.

We firmly believe in creating value to our customer. We do our best possible extent to support our customers and work on accountability in **supply schedule, consistency in supplies as well as improving the best quality output for our customers to create value for them**.

➤ PRODUCT PORTFOLIO :

SPECIFICATIONS:

ZIRCOHIND

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
Zr-P5	63.5%	0.3%	0.15%

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
Zr-S5	62.0%	0.23%	0.15%

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
Zr-325	64.0%	0.15%	0.07%

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
HL-50	50.23%	0.3%	0.2%

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
HL-40	40%	0.3%	0.2%

Product	ZrO ₂ +HfO ₂	TiO ₂	FeO ₂
HL-20	21.2%	0.35%	0.8%

ZINCOHIND

Product	ZnO	Pb	FeO ₂
Zn-99.5	99.5%	0.5%	0.7%

Product	ZnO	Pb	FeO ₂
Zn-99	99%	0.15%	0.2%

Product	ZnO	Pb	FeO ₂
Zn-95	95%	0.20%	0.15%

ASTRON GROUP OF COMPANY :

- *Produce premium quality products in accordance with its commitment to all the customers.*
- *Work closely with customers **to understand their needs and the value of its products.***
